

## 50th Golden Anniversary

Dear Clients, Dear Associates,

We are already in the festive season of Christmas 2020, amidst a global pandemic of COVID-19 which has rocked people's lives across the globe with devastating losses of human life and unprecedented economic and financial harm, but which will hopefully soon recede in light of the announcement of various vaccines fighting this deadly virus.

The law firm of Andreas Coucounis & Co LLC has completed in 2020 50 years of provision of legal services on the island of Cyprus, a milestone that merits specific reference and which, but for the devastation of COVID-19, would have otherwise been duly celebrated with you our clients and associates.

On this Golden Anniversary the law firm of Andreas Coucounis & Co LLC would like to thank you for your continued support, custom and co-operation over 5 decades which have allowed us to build a solid and sound reputation for excellence, efficiency and effectiveness in the provision of our legal services.

We would like to take this opportunity to wish you and your families a safe festive season during Christmas of 2020 and a Healthy and Happy New Year in 2021.

Myself, my fellow partners Dimitria and Alexandros Coucounis, the law firm's lawyers and legal personnel look forward to working with you in the decades to come.

Best regards,

(sgn.) Tasos Coucounis
